NEW PASSWORD CREATION

STEP-7

The image shows a smartphone screen displaying the Vijeta login interface. At the top, the status bar shows the time as 9:35, data usage at 0.0KB/s, and battery level at 82%. The app header includes a menu icon, the word "Login", and a call icon. The Vijeta logo is prominently displayed. Below the logo are five input fields: a client code field with "8094", a received password field with "69724wyb" and an eye icon, a 2FA password field with "9867811397" and an eye icon, a register mobile number field with "d123456" and an eye icon, and a confirm new password field with "d123456" and an eye icon. A blue "Login" button is positioned below the fields. At the bottom, there are links for "Forgot Password" and "Change Password" with a toggle switch, and a footer note "Powered by 63 moons technologies limited".
